

## Looking for a commercial agent in the textile industry

Area : Northern Brussels – Gent Area

### **Who are we ?**

The agency was founded in 2002 by Chantal Gaillard, who was a key player in the textile industry for many years. Mélanie and Magali, her daughters, follow in her steps and pursue her life's work. The agency represents fabric suppliers in Europe and Japan and works closely with well-known Belgian and Dutch labels and stylists.

### **Who are you?**

You are a commercial person at heart and have an interest in fashion & textile. You are eager to learn and become a fabric expert, able to explain all types of fabrics and techniques. As textile agent, you will present our fabric collections and assist our customers in the selection of the right fabric and the right supplier. You will provide all technical information & conditions to our customers and you will register and follow-up orders from sampling to production.

### **What profile do you have?**

#### Your skills

- You hold a bachelor's degree or equivalent
- You have gained at least 3-5 years of work experience
- Textile knowledge is a plus, but not mandatory
- You are bilingual in Dutch and English (French is a plus)
- You can work with tools of Microsoft Office (Outlook, Excel, Word)

#### Your personality

- You are customer and result oriented
- You are a team player, but can work independently and take initiatives
- You are systematic and structured in your work and you are not reluctant to administrative work
- You are flexible and stress resistant and know how to roll up your sleeves during temporary peaks
- You don't mind being on the road visiting customers and going to textile fairs abroad

### **What we offer you**

- A diversified job in the world of fashion, where you will learn everything about textile
- A job in an international environment, in which you can further develop your skills
- A warm and familial context in which you will be taken in as a worthy colleague
- An attractive and diverse salary package

If you are interested, please send us your cv and motivation letter with your earliest starting date as well as your salary expectations.
